IAN Mentoring Program

Mentees are directed to the IAN website to get all the information about his program. There is a box to check on the workshop registration form to request a mentor. This helps identify those new naturalists needing a mentor. Several regional groups of IAN members continue to meet at local naturalist swaps. Veteran members can share ideas and mentor new members. Due to the NAI conference in Fall 2011, the new naturalist lunch will be held by Heather Hucka during the Spring 2012 IAN workshop.

Master Conservationist

IAN continues to sponsor the Master Conservationist Program. Cost paid out covers the IAN booklets provided to each participant. In 2010 a committee began working on updates to the booklet series.

Jr. Naturalists

The Fox and Turtle patches were re-printed this year and were made available for \$2/patch.

Joe Halbur Scholarship

As of December the amount in the Joe Halbur Scholarship money market account was \$8286.72. Due to the NAI Conference in Minnesota this fall, the IAN fundraising events were postponed until Spring 2012. The scholarship amount awarded is \$650. Erin Gerard, majoring in Wildlife Ecology with an information and education focus at University of Wisconsin Stephens Point was selected as this year's recipient.

Newsletter

Three newsletters were produced and distributed via email. The newsletter is also available online on www.iowanaturalists.org. A few newsletters are delivered by mail.

Grants

A grant of \$200.00 was awarded the Jackson County Conservation Board for the construction of a new play-scape.
