IAN Mentoring Program

Mentees are directed to Heather Hucka (Story Co) or the IAN website to get all the information about his program. This year there were no mentor/mentee pairings across the state. Several regional groups of IAN members continue to meet at ideas swaps. Veteran members can share ideas and mentor new members.

IAN Publications

Due to not receiving any bids to update the publications and the likelihood of continuous needs of updating, the committee decided not to act any further on the issue. After the committee discussed the lack of participation and progress in updating the publications, President Wagner has dissolved the committee.

Membership Committee

Missy Smith will resign her position as committee chair in March of 2014 and Logan Roberts will be taking over as chair.

Joe Halbur Scholarship

The Joe Halbur Scholarship money market account was combined with the general money market account which totaled \$17,633.02. The fall fundraiser raised \$1200.00, \$650 of which went into the scholarship. The sale of naturalist t-shirts, canvas totes, along with the silent and live auction, and other games and contest, were used to raise money for the fund. Scholarship winner Kelsey Graham had attended MEEC. Chair Lora Canning mentioned that past winners are eligible to reapply for \$150 more. More rules and provisions are in discussion.
