

## Community Facilitator Stipend Request Form

The Iowa Association of Naturalists and the *Common Ground* program will be providing a limited number of \$100 stipends to community facilitators to help launch the program in communities across the state. You may use the funds in whatever project-related way will make *Common Ground* successful in your community. Stipends will be issued as a reimbursement, to an organization or an individual as needed.

To request a stipend, complete this form and submit it to Lilly Jensen, project coordinator. You will be notified if you have been granted a stipend within a few days.

---

**Date of Stipend Request:**
